The Essay Title Is Centered with a Correct Capitalization

Each paragraph must start with an indentation of three to five spaces. It is strongly recommended to refrain from initiating a new paragraph after only one or two sentences. The standard font is Times New Roman, 12 - point size. Double - spacing is not required in this course, as all documents are processed in the electronic format. The introduction should consist of a single paragraph. The body should adhere to the principle of "one idea per unit." Analogous to the introduction, the conclusion should also be a single paragraph.

The following paragraph must start with an indentation. In - text citations are essential when ideas or data from other resources (Armstrong, 2025) are used. In - text citation can function as part of a sentence, as Bickerton (2020) demonstrated. The current format is left - justified, frequently recommended in academic writing. However, fully justified writing, with text aligned along both left and right margins, is acceptable, for it is the default style of many word processors.

The essay must contain at least 300 words. …
